3M™ Paint Protection Film Series 100 Gloss

There's a 100% chance something will wreck the paint on your new car. Rocks, bugs, sand, keys, salt, rings - you name it. Our clear, 7.5 mil thick film tirelessly protects your paint, even when you can't. Get it professionally applied to the high-impact, vulnerable areas of your vehicle.

Advantages of 3M™ Paint Protection Film Series 100 Gloss :

- ✓ 7.5 mil protective film.
- ✓ High Gloss Finish.
- ✓ Features Self-Healing Technology to remove minor scratches.
- ✓ Significantly reduces paint chips and bug damage.
- ✓ Avoid swirl marks on the painted surface.
- ✓ Protects the Car's OEM Paint.
- ✓ Keeps your vehicle looking newer longer.
- ✓ Durable and maintenance free.
- ✓ Virtually invisible protection.
- ✓ Professionally installed.
